Circulation averages for six months ended September 30, 1988

Weekly Newspapers

Preliminary figures as filed with:

Audit Bureau of Circulations
900 N. Meacham Road, Schaumburg, IL 60173-4968

INFORMATION FOR THE USERS OF THIS REPORT

ABC Weekly Newspaper FAS-FAX reports are published semiannually in April and October.

This FAS-FAX report is an exclusive listing of ABC weekly newspaper members in the United States and Canada, the latest circulation figures as filed with the Audit Bureau, and circulation for the comparable period last year. If there is an adjustment of five percent or more between the publisher's figures and the auditor's findings, then the previous year comparison figures shown in FAS-FAX are adjusted to the auditor's findings (indicated by a cross symbol).

Except as noted by the asterisk symbol, all figures are averages for six-month periods. Those identified with the asterisk symbol are averages for three-month periods. The box symbol indicates listings for which figures were not filed at the time this volume was printed. The box symbol also indicates group statement listings for which figures were not available at the time this volume was printed.

Current circulation figures contained in this FAS-FAX report are shown as filed with the Audit Bureau of Circulations for release in regular Publisher's Statements and, like the statement, are subject to audit. Additional detailed information for each listed weekly newspaper is contained in its Publisher's Statement and Audit Report.
